Life is always beautiful. It all depends on us....

# ***Pebbles***

*We dye our own character in Life.  
However few people help  
&influence us in building it*

*It's a blessing& privilege to be alive, what  
else you want?  
Lead a Happy Life!*

*Ego & Happiness are born enemies-  
let's exercise our choice wisely in  
Life*

*You have come to the Planet to enact your  
role given by the Writer cum Director and  
you will be doing your role as per His script*

*"Nobody has the power to fulfill every desire of  
theirs" despite their abundance of Wealth-as  
desires are also abundant*

# ***Pebbles***

*Life is one way, we can't go back. Just  
move forward-irrespective ...!*

*For many things in life we are the Eye Witness- and  
will be ignorant as many may be trivial.  
Despite witnessing ourselves many things in life we  
tend to exclude ourselves from those incidents-  
very importantly the Death!*

*Borderless Compassion & Love is  
welcome-not a borderless country!*

*Human species have become natural  
predators for social media in these  
days*

# ***Pebbles***

*Don't make your journey as a Heap of  
broken images.  
Make it a colorful canvass*

*Your attitude changes dramatically  
whenever you do a mistake and  
accept yourself:  
"That was a mistake"!*

*"Unlearning" is something like rebooting  
the system to start afresh which we are  
familiar with!*

*Instead of lecturing from pollution to carbon  
emission (I remember reading in childhood  
"charity begins at home")-  
don't try to change people and society- let's do  
our bit!*

# ***Pebbles***

*Negative person can't see good in others, like Bats can't see day light!*

*Struggle for existence-not for exit!*

*We benefit, yet times from what we wished did not happen to us in the past!*

*Miracles will not happen to spectators*

*One experience of yours can't qualify for sweeping generalization on things and people*

# ***Pebbles***

*More often I take feedback from my mirror-it never hesitate to be brutally frank-always!*

*Don't ignore your "short sightedness"- as either way it's dangerous-'having short sight' and 'lack of foresight'!*

*Sometimes negative happening in life can also is for a good reason like Negative results from few medical tests also are Positive to us!*

*People can smell your fragrance through your character*

*We need to take 10000 steps a day in order keep us fit.  
Whereas one wrong step in Life takes us in to an abyss*

# ***Pebbles***

*Stress is within- is not something attacking from outside- it's an outcome of our inability to handle external situations due to our mindset!*

*When you expect God to say yes to your wishes  
-How can you  
say No to people who seeks your help?*

*Between logic and intuition- I bank on the latter-as, sometimes our logic can be illogical!*

*Bumper offer!!!!  
Kidnap me for once  
No ransom and I will be with you permanently!  
God*

*Today was assured by Yesterday that I will make her day beautiful, that's given immense confidence even to Tomorrow and it's waiting for me with excitement!*

# ***Pebbles***

*In an intimate friendship we may share same values, outlook, opinions, and few differences besides something intangible which makes the bonding!*

*Your Truth adds authority to Character thereby adds grace to your personality*

*Muddy water becomes clear, if allowed to be still- similar to our Mind with negative thoughts*

*If God appears and grant a wish, I will say –“would like to reborn as a better version of me-not as somebody”!*

# ***Pebbles***

*Let's burn our Ego into ashes in life before our body gets burned-better the former than the latter for a Happy Life!*

*"Sheer feeling" in life, neither helps you to grow up in life nor help others-unless you act upon it*

*I may appear online 24/7 and you may not get me always as I will be busy in my off line relationships*

*Retiring from Life also happens naturally like job retirement Prepare and Accept both gracefully!*

# ***Pebbles***

*If you have habitual ego- be aware  
that you will doom to disaster*

*When we can grow from "Baby stage to Adult" in  
life- why can't we raise from "Base level to Higher  
dimension", to make our life more meaningful?*

*I don't mind to be called as an  
idiot by people as I am honest*

*By nature "Negativity" never comes  
to us- we only go to it!*

*God has blurred our spiritual vision;  
hence we see this illusionary world- tap  
your Soul as it does "optical correction"  
to see the eternal version of "You"!*

# ***Pebbles***

*Don't wear your laurels wherever you go- keep them in the wardrobe!*

*Life is expensively valuable-good times or bad times-let's go through this experience-as there is no second chance!*

*In olden days people used to abandon bad habits and bad things. Nowadays doing for relationships*

*I am leading inclusive life as somehow God developed liking towards me!*

*When we put eye drops- few drops- drops from eyes-doesn't matter, it will heal, and we always feel ease every time after few drops from our eyes in life!*

# ***Pebbles***

*You are on a short visit there, Enjoy my Creation and your Possessions. You will have to leave all of them one day as I will call you back anytime!*

*God*

*One condition if you wish to master anything in life-be a student always!*

*You can never become sick if you take clues from your body's alerts*

*Like breath is to the body-  
Spirituality to the Soul-realize you  
are a Soul, dressed in your body*

*Like every entry has an exit  
Life has Death*

# ***Pebbles***

*Always don't look for solutions to every problem  
of yours-as sometimes I will not give solution-  
but 'surely' I give clue for a solution  
God*

*Sick people needs the medicine  
not the healthy one-help the  
needy*

*Pebbles  
"Mute" is Attitude whereas "quiet" is a nature!*

*The reason I am happy always is I strike  
chord with God*

*Change wants to see you to change  
along with it for you to survive-as it's not  
stationary!*

# ***Pebbles***

*When you are stressed sometimes, feel you are blessed- as many are not aware what stress is? As they struggle to live every day!*

*Few people, before their arrival- send their attitude first*

*We never try to charge the Cells in our body, even intermittently; Whereas We don't forget to charge our mobile phones every day- Is that our smartphone is valuable than our body-what an irony?*

*Be a Superior than others in Kindness, not in Superiority*

*Instead of "talking the walk" with everyone- do the "walk the walk "as it keeps you fit!*

# ***Pebbles***

*Artificial Intelligence (AI) is born out of Human Intelligence In the process we should not lose our common sense and forget to use our Human Intelligence in the coming days*

*Don't feel great about yourself- if you are one more "ditto" in this World!*

*Always invest your "Intent" more- for success-besides effort!*

*Nowadays People spend more time with screens rather than human beings*

# ***Pebbles***

*Spirituality is internal stimuli by  
our Soul to connect to Divine  
Power*

*The reason of my "Eternal Happiness" in  
Life is my Soul is one of  
the God's dwellings*

*All the "Tags & Positions" are to the  
"Body"- aware none of them are  
permanent!*

*Problems in life are very momentary like  
eclipses- brightness  
bound to bounce back sooner*

*Engulf yourself with positivity-  
Like wild fire does in the forest*

# ***Pebbles***

*Currency is soft to touch but very hard to earn*

*Between Discipline and Happiness-  
I have chosen the latter as  
it doesn't demand perfection in Life!*

*"Simple living" is very simple; I don't know why  
many people complicate it?*

*When one hand gets hurt other hand comes  
forward and helps the other-What's the  
problem for us to help others when we  
have two hands?*

*Don't be surprised if I don't respond  
to you sometimes-as I am  
"Need based" to you, like your  
relationships- I am also choosy!  
God*

# ***Pebbles***

*If you appear as you are, people  
remember even you disappear*

*If any issue becomes "Prestige Issue"-  
it always remains an Issue without resolve!*

*If your journey is not nicer than your  
destination-the travel has no meaning!*

*Smaller the mindset  
- longer the ego*

# ***Pebbles***

*Whatever be your nature- dwell into Nature  
once in a while as it gives solace to every nature!*

*Playing safe always-  
take you nowhere in life*

*Inability of few is, unable to realize their  
ability, despite they don't have disability*

*When you are concluding that someone has Ego-  
recheck yourself whether you are looking them from  
your Ego or Maturity!*

# ***Pebbles***

*Don't be a victim of your  
Conditioned Mind in Life!*

*You may have the wish and desire to live in the  
current moment-Do you have courage to do -  
without clinging to past and worrying the future?*

*You don't need to become spiritual leader  
for healing people. Listen to people instead  
of hearing!*

*Even our Life has "Shelf life";  
make it purposeful- before the expiry!*

*Whichever place we go Entry and Exit is known-  
but not in Life. "Adopt" Happiness meanwhile for a  
smooth exit!*

# ***Pebbles***

*If you are not knowledgeable enough-  
need to have knowledge of pretension at  
least!*

*Ever since humans have started free roaming -  
even to "animals habitats"-they too learned to  
know free roaming into human habitats-*quid  
pro quo?**

*Realize that "People and the World" have no  
Agenda to fail  
you-don't blame them for your failures!*

*God has given us life for becoming a role model,  
but not to do  
role plays in Life!*

*You are brought here carefully by me-  
handle everyone you encounter with care!  
God*

# ***Pebbles***

*You need not worry about what  
"future holds" for you? As long  
as you "don't hold on to your past"!*

*Our life may be finite-but we can  
leave our infinite memories!*

*Getting negative thoughts per se is natural-  
not to fall prey for  
them is wisdom*

*If someone become intimate by sharing their  
life secrets doesn't mean they have given  
Permission and license to interfere in  
their life!*

*Our "Mind" always holds on to our baggage  
whenever we travel. Whereas our "Soul" helps us  
not to do so, during the journey of our Life for a  
happy travel!*

# ***Pebbles***

*As humans we have the ability to express  
our feelings- unlike other creatures.  
Surprisingly, few people don't use this art  
in their life!*

*Unless your wishes become desires  
nothing can be achieved in  
Life as our wishes are just aspirations!*

*Your "Future kills"- if you don't have  
"Future Skills"!*

*In many places and more often each of  
us "wish and wait" for  
our turn in life-paradoxically not in death!*

# ***Pebbles***

*Introspection is not one time job in life-  
to be done daily-like  
we eat food every day!*

*"Niceness" should not be a guest,  
make it part of "You"!*

*"I never killed anybody-always you  
can bank on me"  
Hope*

*When you reach dead ends-never give up,  
explore new avenues-like a spider keeps  
building the web-though it gets destroyed  
repeatedly- builds beautiful web, by changing  
its route!*

*Your password to Divine is kept in  
your Soul-don't search in  
Google!*

# ***Pebbles***

*I don't want to be forgotten by people; even by the God-hence I sustain my relationship with Him too!*

*When we throw a pebble in the water it gets disturbed, it's a matter of time water comes back to its original stage- by not giving any cognizance to our action or mood- treat the same way towards every incident in your Life!*

*If you don't want to turn back in life- don't get attached to anything- As attachments make you to turn back always!*

*Ego always believes handling things alone- unlike Maturity, takes help from others and resources!*

*Ego is so independent, it never dependent on maturity!*

# ***Pebbles***

*Lead people with your love not by power*

*Search is for only lost things- not for happiness- as its' within just discover it!*

*Disagreements can't spoil matured relationships-one need to have few, for not becoming loners!*

*Don't do "giving" for significance- do it as Noble!*

# ***Pebbles***

*It's not bad if you have "Yes" and "No"  
in the Mind- as it's a human nature-  
but, you need to have wisdom for  
which one to use in each occasion!*

*Are you aware that we can make  
"Sound decisions" silently?!*

*We have "Ancient Past" and "Vibrant Future"-  
Let's live in Present!*

*Happiness nests with you -When  
you feel "More with less"!*

# ***Pebbles***

*People, who always listen, never hear- the people who habituated for hearing never can listen!*

*If you know first that "Knowing is different from understanding" Life is never a puzzle!*

*Your Soul is the interpreter between you and God-never look for a translator!*

*Go and be obsessive to work with your desires-if you are not allergic to happiness!*

*It's very common in life that hand which had fed will be bitten-remember the bites not the people!*

# ***Pebbles***

*A desperate child cries for mother knowing that she surely comes and mother comes- As an adult we can have similar approach for the God!*

*Easy way to build rapport with God- sustaining human relationships come what may!*

*When Politicians does cobbling with rival political parties to stay in power, why can't we bury the differences and cobble our relationships with people to stay connected!*

*Live your dreams- don't live in your dreams!*

*Each one of us has enjoyed "Kaleidoscope" during our childhood- but how many are aware Life is like kaleidoscope?*

# ***Pebbles***

*Iron and steel are galvanized to protect from rusting- similar way our Soul helps the body from rusting!*

*Few people feel always "Happy when we are Unhappy"-let them live in their Happiness-by not knowing them "Our Happiness"-why spoil their Happiness?!*

*Everyone continue to invest in tangibles like Movable and Immovable possessions and ignore to invest in intangible relationship with God-who gives those tangibles!*

*Regulate negative thoughts as we can't have blanket ban on them!*

# ***Pebbles***

*Don't become an accumulation of fat matter with Wealth and Ego in life during your journey- as they will be shredded at the end!*

*We expect extension for everything in life and mostly we get away-remember there is no extension to this Life!*

*You don't need to make an effort to become healthy as you are born healthy-unless you abused it!*

*If people keep expressing their gratitude towards you- you are on the right purpose of life!*

# ***Pebbles***

*Our Energy comes from our Desires-  
and they are not enemies-fulfill them  
as a Need not as Greed*

*When you have faith in God -never  
doubt His abilities even 1%, as things  
are not happening as per your time  
frame!*

*Invest in God for best  
returns in Life!*

*"Introspect brutally" before winding  
up the day-if you want to  
unlearn your learning!*

*Some humans are not even like battery-  
which has positive  
side!*

# ***Pebbles***

*Never a tree uproots its own roots  
-unlike human beings!*

*Sometimes it's fortunate to get allocate  
yourself,  
the silent role in a group-as it helps!*

*When you can feel for the emotions of  
"Fictional characters" in  
a Film, why can't you react and act in Real  
Life?*

*Predicting the impact of our  
action or behavior on others is  
an art!*

# ***Pebbles***

*Everybody ignores "Happiness"  
as it is "Free"!*

*Don't conclude anybody in the first encounter  
itself-as they may not be demonstrating real  
of them! And it may change your life  
pleasantly!*

*Who will pay for losses of our  
nonperformance on this planet?  
Humanity itself!*

*Someone may mistake your  
"confidence as arrogance"-have  
clarity while you demonstrate!*

*It's our gratitude to remember  
"Forgotten Faces" that helped us  
in the formative years!*

# ***Pebbles***

***Moral stories:***

***In olden days people used to seek moral from them; Nowadays we pick up stories and leave the Moral!***

***Don't talk to your intellect while giving-do it with your heart!***

***Do you know why sometimes even we feel familiar with a stranger?  
Our Soul identifies its old connect!***

***Aware God is a good leveler-  
many thinks Money!***

# ***Pebbles***

*Many hear us,  
few only listens*

*Don't live with Ego and die  
with maturity*

*Every product has expiry date  
and known-Life too-beauty is  
none knows our own date!*

*Giving is in art besides kindness-give  
what seeker wants-not what you have!*

*Once you abandon "I", it embraces "We"!*

# ***Pebbles***

*"Mistake" does help in our life-  
it repeats for umpteen times,  
patiently- till we learn!*

*When you become mature,  
you will differ people's opinions not People!*

*Personality is not physical-  
it's our behavior*

*In life-giving is kindness-  
giving up is cowardice!*

*"Owning" anything in life gives  
happiness- but never own Ego- as  
Happiness runs away from you!*

# ***Pebbles***

*Very few people have the ability to  
employ all their five senses,  
sensibly in their life*

*Before you disengaged from this planet-  
"engage yourself"  
too- as it helps you at old age!*

*Spirituality germinates from  
your Soul- nurture it!*

*Materialistic and Spiritual living are not separate-  
one can be  
spiritual while living in materialistic World*

*Nothing wrong in having desires in life,  
as long as they don't  
dictate your happiness*

# **Pebbles**

*Some people use "pain" as sensation-  
they should know "happiness" also  
sensate human beings!*

*Problems are common in life like  
wounds are for warriors*

*Our deeds determine whether we are  
at the gate of Hell or Heaven-deeds  
are our choice!*

*When there is no money, you are a loner!  
When you start becoming wealthy-it brings  
"Many" by default-still entertain them. However  
remember those "Many" when money was not  
with you- as they are your "real money"!*

*Keep up the pace with Time as it's a non-  
stop Traveller, otherwise- you are left  
behind!*

# ***Pebbles***

*Wrinkles in relationships should be ironed out-like wrinkles of our dress - not like what we have on our face which stays forever!*

*"You" are the "whole and sole" of your Soul-not Body!*

*"Happiness and Sorrow" are not stationary-they keep happening-make yourself untouchable to them-move on!*

*No sooner one become no more useful-become useless to People: Generally Parents, Friends, Relations and Well-wishers falls under this category!*

*Neither the Birth nor the Death is in our control-But, Life between them is!*

# ***Pebbles***

*Future is later, which is surely  
unsure-Live in present-  
which is certain!*

*Shorter the desires,  
Longer the Happiness!*

*There is no guarantee that you will  
enjoy future that resembles  
past-enjoy the moment!*

*The Giver should "remember to forget"  
the help done- whereas the Taker "should  
not forget to remember"!*

*It's better to learn from Life lessons,  
if not- life lessens you!*

# ***Pebbles***

*Live in "present" as all of us one day  
become "past"!*

*Like we give energy to fields for better yield-  
we need to give  
to our Mind as it's our energy field*

*Due to our inability, God's voice is not  
audible- Take the help of your Soul as it  
works as a "Repeater" with a clear  
transmission!*

*You drive the technology,  
not the other way!*

*One can radiate-when lighten  
up their Soul!*

# ***Pebbles***

*"Happiness" is present continuous-  
neither Past nor Future!*

*It always preferred one should have "changing  
nature" as we will be future ready!*

*Daily good morning wishes will drive  
away your Morning Blues!*

*Show me one person in my creation that  
does not go through sufferings!  
God*

*You would have mastered many theories as  
a student- however you should realize one  
theory -that's "Be practical in Life" as  
Life is not a theory!*

# ***Pebbles***

*We are "future ready" in technology  
Are we ready for our  
future in Life?*

*Your Soul is pious-  
even if you are not!*

*Nowadays people are becoming like migrating birds.  
The difference is, migrating birds-after a short stint- will go  
back to their roots without forgetting their route unlike  
human beings!*

*Flow of thoughts is very natural for human beings  
like passing clouds are in the sky. Don't associate  
with every thought-like every cloud will not bring  
rain!*

# ***Pebbles***

*Every relationship is not valuable-like every cloud will not give rain-few are passing clouds!*

*If you could see your feelings and image in any writing- those are genuine writings!*

*You need not be a rock star to rock in your life till the last step!*

*Remember, in every action of ours- from "cradle to grave" there is always a witness- that's God!*

# ***Pebbles***

*Instead of expecting fortunes surround you-take an effort to make them in life!*

*If you have "not understood and living your life" to the fullest don't ask God for extension-try to understand-as you don't need to ask for "it" once you understands it!*

*Nowadays even to talk to people "face to face," we need interface of our gadgets!*

*You can be distinct from others without becoming extinct!*

# ***Pebbles***

*Don't be "jealous and envy" with people- people grow as per their Karma-but you need to carry "them" to your grave as you have attached "both"!*

*We are meant to clear the dust bin from our mind-eventually "dust bin" itself- don't fill it every day- as you get stink in life!*

*Check for routes and destination with Google, but for roots and destiny with God!*

*You may check Google for "routes and destination", but in life only God helps us -not Google!*

# ***Pebbles***

*Make World as your family-  
none jettisons you, unlike few family members  
does it- when you are no more required!*

*We all know what for "dust bins" are meant for-  
why do you want to keep one in Mind and fill every  
day!*

*It's better to be positively influenced by "law  
of attraction" than negatively affected by it  
as none can escape from it!*

*Don't believe yourself in a mirror  
-always, as it's not egoless!*

# ***Pebbles***

*It's foolish to cry in front of the garlanded photos of our parents when we have not taken care of them while they were alive!*

*If you truly believe that God is the Creator- you never think that "You" are helping others, it is God doing this to all His creations- through you- this is called Egoless detachment!*

*It's nice to remember parents on our birthday- as they are the one who introduced us to this beautiful planet!*

*When you want to understand others- don't empathize- "be inside their skin"!*

*Your life depends on your preparedness for "Be prepared"!*

# ***Pebbles***

*Every second counts in Life-at the same time there is no second count!*

*People have misconception that their "basic nature" can't be tapped for the 'change'!*

*The Person who is handsome without a character is like a beautiful flower without fragrance*

*Spirituality is so secular-it has no reservations*

*When you have no Self-respect, your personality becomes naked!*

# ***Pebbles***

*Many people are receptive on their face-  
but not in their Minds-understand the  
deceptiveness!*

*Tress bend low with ripened fruits-  
wise man always be modest in life!*

*It's good in Life to fall in love with  
"Law of attraction" rather  
than "Law of inertia"!*

*Everybody likes you as long as you are at  
"status quo" in life No sooner you start  
prospering- many silently envy you- as  
they can't stop your growth!*
