

GIGGLES

A woman with long dark hair, wearing a wide-brimmed brown hat and a white t-shirt with large brown polka dots, is laughing in a field of sunflowers. She has her hand over her mouth. A black watch is visible on her left wrist. The background is a soft-focus field of yellow sunflowers under a grey, overcast sky.

VOL-II

CH. V. S. N. MURTHY

“

In order to keep my brain empty, I kept my G.K in Google-If you doubt just Google!

”

Many Dreamers, why only few Achievers?

⋮

As many are sleeping in their dreams for more dreams- to achieve!

“

Every Cardiologist is not necessarily to have an Open Heart as they open the Hearts!

“

Your intent in Life should not sound as a political manifesto-after all it's a Trust Factor!

Don't worry, Exit is not the Ending. As we reborn, also without "Memory back up" of our Past Life-merry reason to be cheerful!

”

Our living longer is causing a problem- as heirs have to wait more time!

I am in deep "indulgence" in Life- not "In dull genes", like many!

Our politicians beat the athletes in "Pole vault" during Polls season!

Tongue allows everything toll free entry and the body pays the tax every time!

Opportunities never come to an Opportunist!

Our tongue is the gateway for all our ill health!

“

What's the backbone of human body?

.
.

Backbone!!!

”

People are apprehensive to sport Ostrich skin jacket nowadays after Nirav Modi was caught in London!

“

Currency may have many colors in every Country-however, only two colors are widely accepted universally-
“Black and White”!

“

When premium becomes economy-that's a good sign of Economy!

You can't make a Biopic, if you are myopic!

”

I have the degree as well as the pedigree-not only our pet!

“Arm-wrestling” is a sport, where as “Arm twisting” is a game- many try to do on others!

Mine is an “Active Voice”, that’s why I never tried “Passive Voice” while learning English Grammar!

Your romance has to be sterile-but not after Marriage!

Few people are determined to be
.
.
Honestly Dishonest!

I am familiar in driving for my mobility- nowadays the technology is driving my life all over without moving!

“
Data centers are “breeding grounds” to loot us in future!

”
Don't preach when you don't practice- as it's the privilege only for politicians!

“
I “wish to Pray without any Wish” to God every day- invariably I end up “praying with a Wish” every day!

“
Who works
Non-stop without
looking at time?

?

?

?

CLOCK!!

Flaunting has different meaning to different people- for Few Men- its wealth, ego and arrogance whereas for few Women -its' body!
”

Bumper sticker on an Ambulance:

“We are authorized to fix the appointments with the God!”

Whenever I say I am a teetotaler- people give me Coffee- not Tea!

Some people always operate in Life from “falsity” as if they didn’t get any City to live!

“Don’t test the “patience” of the Doctor when you are a patient-they make you “in-patient” as they become impatient!

“Helping other’s” is not Crime and Unconstitutional. Keep doing it until it is made!

Empowering sounds good-but nothing to beat M (money)-Power!

You can be sweet to people not to Sweets

Variety is spice of life!

My understanding as a child was-
I can eat variety of spices in life when I grow!

Brown sugar tastes sweet-provided;
you are buying from a super
market, but not from a peddler!

I am getting stressed in finding
out the main source of my be-
coming stress!

To avoid nightmares- have
day dreaming!

Patience & Decen-
cy takes backseat-
when I see sump-
tuous food-My
Tongue strikes!

“

Retirement gives an opportunity to learn something totally new in Life-Sleeping any time!

”

Slavery in olden days was out of compulsion- Now its willful- mostly we see them in I.T Industry!

“

I will not get time to do any work as I am always busy in “Work before Work”- that is- thinking!

“

We plant seeds for the plants to come!

Stupidity doesn't happen suddenly to few people- It will be in the form of a seed in their Mind as a child. And grows like a Tree along with them and they bask under it!

”

“
We all know “Temple run” as a
Video game. Thanks to our
Politicians- for redefining it!

”
Always “Have a right Mix in Life”-
made me to become a regular
visitor to the bar!

“
Cycling brings togetherness-
I mean, two wheels! Not
people!

“
“Animosity and
Anemia” have no
relation at all- how-
ever both are not
good for our health!

If you are intelligent-don't think it's
your greatness. You would have
used the Fountain Pen with “Bril”
ink in your childhood!

“
People who wanted to become
doctors- who could not- use head
phones 24/7 like a stethoscope!

“
Listening to music always Music to
the ears- not facing the music!

There bound to be “up and downs” ev-
erywhere-even in Life- If it’s not so-
why it’s called climbing up in life?

“
Even a sinner says
God is with him?

God must be won-
dering when He
was with him?

“
I am busy in rewriting
the history as I am
unable to create!
”

I am a teetotaler-but not
Coffetotaler!
”

”
Its child dish-Don't be childish in asking!

“
I am ageing slowly as I am not in a hurry!

Few people live even without food-with the help of lying always!

“
Diversity makes life interesting, that's why I keep jumping from one topic to other frequently!
”

Silly doubt
Why a racer is called a racer, not a racist?
Don't race on me as I am neither a racer nor a racist!
”

”

Normality become thing of Past- Abnormality become the Norm and Fad in these days- as you are from Modern generation!

Silly doubt!

When you type on Typewriter- it's called typing- But why it's called same when I do it on my laptop?

Recalling to the memory is sometimes very painful in life!

Especially in exams!

”

Do you know the cost of not buying anything?

·
·

Costs nothing as you didn't buy anything!
Every time I can't give intellectual answer!

”

When you want look “absurd -be illogical” and don’t be in the border. Be at the center as people surely have public amusement as you have not given any logical choice for your absurdity!

All fields look green-except “White Field” in Namma Bengaluru!

Other side of ours!!
Every person has two sides and very few know both the sides-besides God and one more person know both sides of us is
-Sundar pichai!

“Highlighting” always I misunderstood when I was a child as:
“Lighting at heights”!

Reliance and self-reliance, using both words have become worrisome nowadays-after so much of noise all over on “Reliance”!

If people are curious to know more about me!
Generally I tell them,

“For more information contact Google”!

Saying goes “Put it away from
sight when not in use”!

But, never do this for your Brain!!

Saying goes “Put it away from
sight when not in use”!

But, never do this for your Brain!!

People think visiting
remote islands is very
tough-I visit quite of-
ten-remotely!

Wisdom say “Think
before Ink”, But I
never follow as I
don't use Ink for
typing!

“

Nowadays many restaurants are not keeping
Pepper on tables!
Do you know why?

As women are coming with Pepper spray!

“

Why I look intolerant is as “I
am tolerant for the peo-
ple’s intolerance”-don’t
blame my face!

“

Be watchful while
you are lying with
me as my Face
has a “built in” Lie
detector!

I am a “frequent flyer”-I quickly fly
away from people-when I am not
comfortable!

”

“
Whenever I am typing on Word document-
Americans try to correct my spellings-I just ignore
as I am loyal to Britishers as they taught me
English!

”
“Find out where really you come from” has
attracted me as I can go to the path of
spirituality- when I clicked - it leads to my
Family Tree!

“
If you are not
able to mature
on your own-
manure helps!

Writing a “Will” is purely your will-not
unwillingly!

”

I lead a luxurious life in the virtual world with my non-existent money- as everything is free there!

“Malfunction” is not the function happens at the Mall!

Alphabets are getting shorter-
Thanks to Emoticons!

You are the creator of your own sins-don't give credit to anybody!

All India Doctors Association planning to have a tie up with Google as many people are taking advice from Google before coming to them! Win-Win situation!

Churchill is in chill in the church-though church is not in chill!

As Google has more concern than your "Mother and Wife"-they have "Real time" track on you!

"There is no smoke without a Fire" old saying!
"There is no smoke even with Fire" Today's saying!

Thanks to E- Cigarettes!

I am no more belong to minority as
"More than half the World is now middle class" as per latest survey!

Who is more knowledgeable in this World?

Who else?

Google!

Bumper sticker on an Ambulance:

We have sole rights to get you
appointment with the God!

Just kiss us to contact!

“Open Mind” Doesn't mean
that you make it as a “free
entry” to public!

Everybody has
skin; few lucky
ones only have
thick skin!

“

“Open Mind” Doesn't mean that you make it as a “free entry” to public!

”

When your feet fingers touching the ground- it's time to change the boots- as you have defined the elasticity!

“

People feel heavenly and find RUM (Rambha, Urvasi and Menaka) after taking Rum!

“

Equanimity:
People often mistake it as equal enmity!

Some people hesitate to communicate as if they are suffering from “communicable disease”!

”

“
There is a difference between
“Taking risk and Inviting risk”-
know the distinction before “risk-

”
Why spiritual Gurus take full payment in
advance for their courses?

As People won't pay the balance after-
wards- as they get enlightened!

“
I am ageing
gracefully-as I
couldn't stop it!

”
Many things
changes by evo-
lution and the
balance by revo-
lution- at every
Home!

Delegation always doesn't
work in Life-When I have too
much on my plate, I help
myself by eating everything-I
don't ask anyone's help!
”

“
While dreaming- keep your eyes wide open to have more enjoyment!

”
I have Poet as well as Writer in me-fight each other, and the Writer wins always. That's why not able to penning down my Poetry!

“
As Mine is an Emergency service to Public, I am on line 24/7!

“
It takes “hours” to prepare “minutes” for a conference as meeting generally lasts for “Hours”!

As people are largely migrating to the “Virtual World”, Government is seriously thinking of giving “Minority Status” to the people who are living in “Real World”!
”

”
In testing times things will be hard- that's why exam papers look tough!

“
I keep telling people conman is not the short form for Congressman-they do not believe me!!

Wisdom says "Move the needle in the right direction"- Common sense says -Move the thread in to the needle!

”
Even the Atheist believes in God- while driving on Indian roads!

”
Ensure to have timeline for everything in life- by the way I am busy in finalizing the timeline to fix the timeline!

I will have “Memory back up” in the next life as a boon from God. Be friendly with me as I will come back with same contact list- no escape from me!

I come to a stage where I don't scare for more disappointments as “disappointment” never disappointed me!

I have been hearing from my childhood “Human beings are Social Animals” It's taken decades for me to believe!

How not to forget things?

Remember in sub conscious mind that you “forget things”. Then- whenever you are trying to remember “things which you forget”- you remember that you “forget things”. Automatically you remember what you have forgotten. Try this and give me your feedback on this, remember not to forget this!!

”
“Power” for common man is electricity, whereas for a politician it has a different meaning!

“
Common cold is not uncommon-whether you are hostile or hospitable-it stays as per its schedule visit

Best way to avoid paying rent month after month

·
·
·

Buy a house. Don't expect shortcuts!!

Sleeping with enemy

·
Every couple does it unknowingly!

“

I am busy in passing time in
“Passing times” of my Life!

”

“Power” for common man is elec-
tricity, whereas for a politician it
has a different meaning!

“

You don't need to have
Sugar factory in your
body to be sweet to
people!

“

High breeds
to leads to
Hybrids

As people are largely migrating to
the “Virtual World”, Government is
seriously thinking of giving “Mi-
nority Status” to the people who
are living in “Real World”!

”

“

Don't try to be a visionary in life planning to live for centuries-as we are not "Charminar" to stay for 400 years!

”

"Power" for common man is electricity, whereas for a politician it has a different meaning!

“

Intoxication has no sophistication-don't expect from people

“

Whether heroine or heroin-both are intoxicating!

If you feel I am an intruder to your privacy- tell me can you prevent the mosquito coming inside the home? Of course mine are sweet bites!

”

“

Sitting in front of Net is affecting the net productivity in the night-that's the net effect of the Net!

”

Sweater:

When we don't sweat, when we sport it- then why it's called sweater?

“

Leaning on somebody in life is not a bad sign even Tower of Pisa is still leaning!

“

Fishing and phishing has commonality- both places people use the Net!

Why people, even Ladies call Men always

“Men are Men!

.
. .
.

As they are Men!

”

”
Cloud computing relates to intelligence- but not clouding your mind

“
Fasting will be slowing your ageing-slow your fasting!

“Surveillance” word is not made out of “Survival” and “lens”. But the fact remains the surveillance is nothing but lens on our survival and we merrily accepting it nowadays!

”
Destruction becomes easy!!

In mythological days Lord Indra used to send Rambha, Urvashi and Menaka to distract and disturb Muneeswara’s Tapasya. Now things become easy, one tiny Smartphone is doing the same job for human beings-killing their future!

“

It causes us worry in life about leakage and leaking. But not for Facebook as it's their business-more leaks more business!

”

Law has an extended arm for common man-not for politicians as Law afraid they may change the Law!

“

When you expect the “unexpected”-then it arrives;
Is it called “expected unexpected” or “unexpected expected?”

“

In case of Fire-don't call me-Run!!

Never believe everyone when they say “I am a teetotaler” as few can turn out to be “Drunkards” as they have clarity! After these experiences I have been careful when I use these words and started carrying documentary proofs!

”

I store my archives in cloud, but memories in Mind, as cloud can be hacked but not my Mind!

Rumors are always enjoyable- I keep hearing all over people saying that "I am intelligent", Am I not enjoying?

People frequently use their tongue- as they know it's the strongest muscle in our body!

Baldies shine even when Sun is not there!

How to elevate in life quickly without the help of spirituality?

Use Lifts and elevators everywhere!

I am familiar in driving for my mobility- nowadays the technology is driving my life all over without moving!

“

Data mining is a lucrative business than gold and diamond mining in these days

”

As per psychologists the intellectuals have less or no sense of humor- Don't consider yourself as an "Intellect" just because you lack sense of humor!

“

I store important things and memories in my archives; nowadays I am keeping in cloud. As it makes easy for me to access them when I reach above the clouds!

“

My doctor has told me that I am not fit to be unfit-hence, stayed fit!

You can't make a Biopic, if you are myopic!

”

“

Web and websites have the similar purpose!

To catch its prey

”

Who will have more blood relations?

Blood donors!

“

If your smartphone goes on blank screen-don't worry it's on "peaceful mode"!

“

Don't do "less than fair" to anyone as "it's not fair"!

Stupidity doesn't happen suddenly to few people- It will be in the form of a seed in their Mind as a child. And grows like a Tree along with them and they bask under it!

”

”
Try to keep yourselves busy, so
that you will have no time left to
face the
problems!

“
One can have pets-but not
as their life partners!

There are two categories of people
One: They are not willing to admit their mistakes
Two: They are willing to admit others' mistakes!

Nowadays People forget
walking- as they are busy
travelling through cyber
space domains!”

Someone asking me after meeting for a long time
of my post retirement;
How are things?
Me: Things are lying at their places. Many are
moving on their own and I am moving the bal-
ance every day!”

“
If you are forced for jaywalk as there is no sky walk on road-there is a possibility for your Soul to walk above the sky very soon!

”
Like we have silent admirers, we will have Envious well-wishers too!

“
“Negative is not negative” sometimes in life- your “Negative results” from medical reports are good news!

“
Nowadays People are mistaking me when I am wishing “
Sau saal Jiyo”-
thinking it's for Mukesh Ambani!

How to control the traffic at signals in our country?

“Black cats” picture should appear along with “red light” at every signal- as many consider as bad omen!

”

I am always restless in Life as am running out of my ideas!

One can have pets-but not as their life partners!

You need not have the complete knowledge of Electricity when you want to change the bulb-but, you should know it gives shock if you meddling it!

Torch bearer: The person who shows our seat in cinema hall

Someone said "A mistake increases your experience -experience decreases your mistakes"- I took it seriously and busy in doing mistakes!

”
Just because I am 60 Plus, I am not from
“Old” school of thought- I keep adding
“New” digital knowledge into it to mingle
even with 16 plus !

“
Youngsters should move with
Oldies also, to look & stay younger!

What happens when we iron clothes?
.
.
.
All the wrinkles will “iron out their differences”!

“
Inflation and inflamma-
tion-both are very
painful

“
Many are “devoted and determined”
to their Goal- I am not an exception -
and my goal is “Just relax”!
”

How to improve your memory power?
Try to remember what all you forget

Many thinks that "Work like clock-work" will make them to grow- clock never grows-learn to be smart too!

Between my wife and me-we have no "difference of opinion" on our differences!

I eat any food- healthy or unhealthy-as I don't have discrimination

Today's youth craves for "chat- on chat bandi" as well as on smartphone

Just because you like dumb people don't surrender your intelligence to them

Horse trading is more lucrative business
in politics than selling real horses

Today's girls needs more of
glamour less of grammar!

In olden days slavery was physical-in the
advent of digitalization we all become
slaves to the technology

Whenever we give our "piece of
mind" to others- never we give
from the position of "peace"!

Talking is interesting
Stalking is fascinating
especially in FB

”
Best job in the world- giving advices and asking people to move their bum- without moving ours!

“
Don't allow your brain to hijack your taste buds- as it leads to obesity

Between my wife and me-we have no “difference of opinion” on our differences!

“
“Home loan and home alone” both gives us anxious moments!

“
Trump's trump card is- he can blow his own trumpet!
”

“
If you have failed to improve your intelligence after trying everything- try the fertilizer-it may help!
”

Hospitals scare me to stay healthy
with their bombing fees!

He is an exclusive stealer of
art pieces as he is an Artistic
thief!

When a boy or a girl gets married they
should loosen their strings which are
tied with their respective mother's
aprons!

"Freedom is our
birthright"- till we are
married!

"Talking people, People talking" will become
thing of past like our Chandamaa stories as
many have forgotten to talk to others
nowadays!

Nowadays it's very common that few people don't use their "common sense,"!

Don't allow your brain to hijack your taste buds- as it leads to obesity

You are never alone in life,
Your shadow follows you

Though you are a master in crossing roads doesn't guarantee that your life will not be in cross roads sometimes!

Affair & FIR are closely related-not only in sound-if you have the first one- second one is the most possibility!

Affair & FIR are closely related-not only in sound-if you have the first one- second one is the most possibility!

”
Don't make Google as a torch
bearer in your daily life!

“
It's highly painful & risky to
die, let's live till we die!

More often people say 50:50 chances-
It's not true always. In a lottery, you
don't win 50:50-Either you win or lose!

“
I keep trying to convince few
that I am habitual liar-but
they don't believe me!
”

One need not have health checkup-when
they have sense of humor in their DNA!
”

Nowadays it's very common that few people don't use their "common sense,"!

Why "popcorn" is not called "mom corn"?

·
·
Corn "pops" when it's heated!

New tip for self-driving to your funeral!
"Texting while driving"!

I got a "boon" from God that I will have Wi-Fi facility when He takes me back to Home! I will continue to stay connected to people with my "divine appearance"-you can't escape from me!

”
We knew Social and Engineering are separate subjects. Politicians made it a single one!

I convert my thoughts from poetry to prose for easy understanding to people-as my audiences are not poets!
”

Nowadays people can't hear anything other than their ear phones and head phones
”

”
Nowadays people are gadget friendly, allergic to humans

”
As many can't see the spirit with-
in-tend to take spirit from outside!

“
I am forever happy as I don't
have the disease of pleasing
people

Many don't believe in their "Past
Life"-but, no sooner they get mar-
ried-everyone will be able to remember
the "Past Life"!

Advice to newly married I.T couple on the
wedding day:

It's nice to talk face to face -without inter
face-once in a week - to remember that you
both are wife and husband!

“Visa” issued to say “We saw” one more country other than ours!

“Life is tasteless- if it’s chat less”
my smartphone shouts at me-silently!

My condition to work is:
I spend my time without working- if interested give me work

Driving without helmet either can make you fall into “pot hole” or can make “hole” to your wallet by the cop!

Myth Vs. reality explained by my mirror
“You feel intelligent” is myth- reality is
“You are an idiot”!

There is a maddening rush at Hell and heaven, stay back-don’t be in a hurry to go there!

“
It always good to have more of “offline relationships”
than online as there is no problem during power failure!

”
We think none is watching us in
life-No- besides God- CCTV cam-
eras too watching us-so well
dressed always!

“
Actors are meant to “play to
the gallery”; whereas our
Politicians overtaken them in
mastering this art!

”
Junk your “junk
food” before it
junks your body

In our education system Social and Engi-
neering are different subjects-Our Politi-
cians made it as one as “Social Engineer-
ing” for reaping the harvest of votes! Our
Politicians don't leave anything you
know!!!
”

”
Dust mites are less harmful
than “dusty minds”

“
Somebody mistook the word
“Walks of life” and one fellow
started rattling on different walks
he made in life!

“Man is known by the company he
keeps”-but, when “Company keeps
the man” how do we know about him?
”

In those days we used to call few as
“Paper tigers”, in the advent of technology
should we call them “Digital Mouse?”
“

Somewhere I read “Global roaming” will add
to “Global warming”; hence I am not moving
out of my City as I am environmental friendly!
”
